**Convertible Note
to Acquire Bitcoin**

Placement Agent

Transaction Overview

- As part of the convertible note financing, Rezolve may have access up to \$1 billion to purchase BTC subject to certain conditions, with \$100 million closing in the first tranche. The proceeds may be used to purchase BTC, subject to certain conditions being met
- The convertible notes are primarily secured by the cash raised and any potential BTC purchased in connection with the financing
- The notes are convertible into common stock of the company at a fixed conversion price of \$3.00 per share
- This initiative underscores Rezolve Ai's commitment to revolutionizing global commerce by integrating artificial intelligence, blockchain technology, and cryptocurrency
- In late 2025, Rezolve Ai expects to launch an AI-powered crypto payment platform developed in collaboration with Tether. This solution will allow consumers to pay with Bitcoin, Tether, and other digital assets directly at the point of sale, while retailers benefit from the elimination of merchant fees, instant crypto-to-fiat conversions and AI-driven transaction intelligence

Rezolve Ai Overview

Overview

- Rezolve Ai is an industry leader in AI-powered solutions, specializing in enhancing customer engagement, operational efficiency, and revenue growth. The Brain Suite delivers advanced tools that harness artificial intelligence to optimize processes, improve decision-making, and enable seamless digital experiences

GroupBy Acquisition

- On February 14th 2025, Rezolve Ai acquired GroupBy in an all equity transaction for \$55 million in enterprise value. The acquisition adds a high-growth, revenue-generating business to Rezolve's expanding AI commerce platform. The deal is expected to bring approximately \$30 million in expected high margin revenue for 2025, further strengthening Rezolve Ai's position as a leader in AI-driven commerce solutions

Brain Commerce

- A conversational shopping experience that helps customers find products, get recommendations, and make purchases

Brain Checkout

- An AI-powered checkout process that improves customer experience and streamlines transactions

Arkon Energy Overview

- Arkon is a global data center infrastructure company that buys, builds, and operates world-class, sustainably powered data centers
- Arkon's business and portfolio are institutional grade, diversified across stable jurisdictions with strong revenues and exceptional growth, underpinned by reliable low-cost renewable power, and a robust and growing range of end-use cases
- Arkon's data centers are local consumers in the physically constrained grids where the renewable electricity is generated, helping more of those projects become viable sooner, and accelerating the global renewable energy transition

Transaction Highlights

- Arkon has successfully raised \$26 million in capital from Sandton Capital Partners, a global credit-oriented asset manager, and participation from JGB Management, an existing lender to Arkon. This investment will support Arkon's strategic growth and international expansion
- The acquisition of the data center facility in Ohio is a significant milestone for Arkon Energy for expanding to the U.S.
- Arkon intends to use the facility for providing server hosting services to institutional-scale clients in the Bitcoin sector, creating a predictable, fixed-income revenue stream
- Arkon has identified several opportunities for expansion in North America and expects the acquisition in Hannibal to be the first of several over the next 12 months

Ohio Site Overview

- The data center in Hannibal, Ohio is designed for a 100 megawatts first stage and 200MW second stage capacity
- Arkon plans to immediately commence completion of facility developments which are already underway at Hannibal to rapidly bring the property to its first stage design capacity of 100 MW
- Expected to add up to 3.3 EH/s of processing power to Arkon's hosted hashrate before the end of 2023
- The site is expected to create rural technology jobs, expand Ohio's electrical customer base, and bring investment to the local community
